Aloha ,

On behalf of the island of Maui, we would like to thank you for your generous donation to provide aid to the animals affected by the Maui wildfires. Your gift allows us to care for rescued animals, and to provide medical care for burns, smoke inhalation, and many more morbidities caused by the disaster. Because of you, animals like Roman have received lifesaving medical care and have been reunited with their families.

While jumping into the ocean to escape the flames, Roman was separated from his caretaker and lost in Lahaina during the fire. He suffered burns on his paws, legs, and rump while trying to survive the blaze. Fortunately, Roman was rescued by a good Samaritan and brought to the Maui Humane Society to treat his burns and reunite him with his owners. He is now recovering well with his loving family like many other animals treated by Maui Humane Society thanks to your gift.

Thank you for your support to save the lives of the animals caught in the Maui Wildfires, and to keep ohanas together during this heartbreaking time. Your gift continues to aid our relief efforts in the wake of this disaster.

Mahalo nui loa,

Jenny Miller
Director of Development
